### **Planning**

On 08/08/16 a letter was sent to the PDNP Planning department in support of the planning application at the Knackers Yard and directly contradicting a letter sent by the Parish Clerk. This letter had been sent with a Parish Council heading, written by Cllr Mycock, signed by Cllr Mycock, Cllr Palfreyman and Cllr Dicken, and 'pp'd' on behalf of Cllr Naylor. Unfortunately no copies of this letter were sent to either Cllr Harris or the Parish Clerk. This letter was found to be both personally and professionally inflammatory by the Clerk. Due to the nature of the letter, the PDNP Planning committee had postponed a decision on the planning application until October.

Cllr Harris had no prior knowledge of this letter and stands firmly behind the clerks letter stating the agreement of the Parish Council to object to the planning application for the Knackers Yard. Cllr Dicken has retracted her consent of the second letter and agrees to the content of the clerk's letter as being accurate, and has personally written to the PDNP to state this. Cllr Naylor has also retracted her consent to the second letter and agrees that the objection to the planning application is valid. However, Cllr Mycock believes that her letter is accurate. Cllr Palfreyman agrees with Cllr Mycock.

Due to the untenable position that this places the clerk in, LM submitted her resignation with immediate effect. LM agreed to continue taking the minutes of this meeting in the absence of a volunteer.

***Action: New Clerk to be employed as a matter of urgency. Job description to include all Parish website responsibilities.***

There followed a discussion of the 'merits' and profound objections to the second letter. Members of the community were invited to share their views. Cllr Naylor read out a short speech retracting her part in the second letter and explained her professional and personal views. Cllr Naylor also asked that members of the community become more involved in all aspects of village life, including making a positive contribution.

A vote was taken to gauge support for the planning application at the Knackers Yard. Three councillors wished to express objections to the proposed plans, whilst two councillors remained in favour. Councillors requested LM to send these views on to the PDNP Planning Department

***Action: LM to write to PDNP Planning with views.***

- 02/09/16 **Minutes of the last meeting**  
Minutes of the meeting held on Tuesday 12<sup>th</sup> July 2016 were proposed as accurate by Cllr Naylor, seconded by Cllr Harris and signed as correct by Cllr Dicken. Cllr Mycock expressed concern that she felt the minutes were inaccurate and did not fully cover a discussion held at the end of the meeting, about the Knackers Yard planning application. Cllr Palfreyman agreed with Cllr Mycock.
- 03/09/16 **Matters Arising**  
EE – Feedback from JM: EE feel that a more appropriate alternative to the option of a micro-network is to ‘tweak’ the mast at Taddington. No further action is likely from EE. Coverage remains patchy.
