Please use the above link or see the enclosed details of the above planning application and we would welcome any comments you may have about it.

To enable us to make a decision on this planning application, please respond by returning comments within 28 days of the date of this letter, or by e-mail if possible to customer.service@peakdistrict.gov.uk.

Please ensure that your response makes clear not just your organisations formal view but also the planning reasons for it, whether in support of the application, objecting to it, or only advising us of comments you wish to be taken into account. Please be aware, that we can only take into account 'material' planning matters when making decisions. To assist with your response the back of this letter has examples of what are 'material' and 'non material' planning considerations.

The Planning Officer for this application is **Denise Hunt** and their contact details are email denise.hunt@peakdistrict.gov.uk, telephone number 01629 816394.

Our public participation scheme enables individuals or organisations to speak about any planning application that goes to a committee or full authority. Details of how to do this can be seen on our website at http://www.peakdistrict.gov.uk/planning/have-your-say/comment-on-an-application or are available from our Democratic Services team on 01629 816362.

I look forward to receiving your response

Yours faithfully

Holder of Council of Europe Diploma

EXAMPLES OF MATERIAL AND NON-MATERIAL PLANNING CONSIDERATIONS

Material (valid reasons to comment on a planning application)

- Compliance with national and local policies, including supplementary planning documents such as the Peak District Design Guide.
- Design and appearance of the development
- Layout and density of buildings
- Local needs e.g. housing provision
- Planning history of the site
- Overshadowing/overbearing presence near a common boundary that is to the detriment of neighbours
- Overlooking/loss of privacy
- Loss of light
- Light pollution
- Health/ crime fears
- Highway issues: traffic generation, vehicle access, road safety
- Car parking provision
- Capacity of infrastructure (e.g. in the public drainage system, or spaces in schools)
- Noise and disturbance resulting from use, including proposed hours of operation
- Smells
- Loss of trees
- Impact on nature conservation interests & biodiversity opportunities
- Effect on listed buildings and Conservation Areas
- Impact on archaeological finds or sites
- Risk of flooding
- Landscaping
- Ensuring equal access to buildings/sites (e.g. for people with disabilities)

Non-material (issues that cannot be considered when making a planning decision)

- Loss of view
- Devaluation of property
- Matters controlled under Building Regulations or other non-planning legislation (e.g. structural stability, drainage details, fire precautions, matters covered by licences etc.)
- Character of applicant
- Private issues between neighbours e.g. land/boundary disputes, damage to property, private rights of access, covenants etc.
- Problems arising from the construction period of any works, e.g. noise, dust, construction vehicles, hours of working (covered by Control of Pollution Acts).
- "Better" site or "better uses"
- Change from a previous scheme
- Speculation about what applicant may/ may not do next
- Commercial competition
- Moral/ religious objections
